Our Students

For SY 2018-19, the program will be restricted to current de Paul School students. The administration may admit siblings of de Paul School students on an exceptional basis.

Goals

1. To provide a safe and stimulating environment for students at the conclusion of the school day, allowing parents to pick up their children beyond regular dismissal time.
2. To provide a reliable study and homework station for de Paul students.
3. To provide light recreational and social opportunities for students beyond the school day.
4. To involve students with opportunities to collaborate and build community.

- ❖ Extended Day is offered on each day when school is in session. That includes days with a noon dismissal.
- ❖ Extended Day is not in session on days when the school is closed. This includes holidays, professional days, weather-related closings, and conference days.
- ❖ Extended Day is available on scheduled half-days, with a modified schedule beginning at Noon and concluding at 6:00 pm.
- ❖ All students must be picked up by 6:00 pm. Chronic late pick-ups after 6:00 pm will be considered grounds for dismissal from the Extended Day program.

Sign-Out of Students

A parent or other approved adult will sign the student out for dismissal in room 210 under the observation of the Coordinator. No child will be released without first being signed out by an approved parent or adult. Each adult picking up will be screened through the Raptor Visitors Management System. The adult picking up must provide his/her approved identification (e.g., driver's license) upon arrival to 210. The Raptor Technology then screens for any incidence of sexual offense.
