The de Paul School's 2022 Summer Program

The de Paul School offers a unique and fun learning environment providing structured educational opportunities for students K-8th grade with learning differences (ADHD, dyslexia, dysgraphia, dyscalculia)! This summer, de Paul will offer a three-week Mathematics session and a three-week Language Arts session. Students may attend one or both sessions. Monday through Friday from 9:00 to 12:00, small group classes will be led by de Paul School-trained teachers. Financial Assistance is available based on eligibility.

Mathematics, Session 1 (Tammy French, Director)* \$800 Tuition
Weekdays, June 13 – July 1
9:00am to noon each day

Language Arts, Session 2 (Jane Nuckols, Director) \$800 Tuition
Weekdays, July 11 – July 29
9:00am to noon each day

*Please note that due to June 20th being a holiday, our Mathematics session will only be 14 days.
